

*Vocational & Life Skills Training
for Adults with Disabilities*

MISSION STATEMENT

To promote and deliver quality services to each person served and to meet each person's individual life skills, vocational, or residential needs in a diverse and inclusive environment.

PURPOSE

To assist persons served in achievement of their highest degree of self-sufficiency; vocationally, socially, and economically and to provide each person served an opportunity to gain the skills necessary to live as independently as possible in a diverse and inclusive environment.
