

# 2013 Art From The Heart

Artistic - Innovative - Inspired - Creative - Imaginative - Original - Unique - Inventive

Thursday, July 18, 2013  
6:00 - 8:00 PM  
Davidson County Community College  
Conference Center

Inspired creations from adults with  
intellectual and developmental disabilities

Presented by

In partnership with Davidson County Community College, clients from The Workshop of Davidson are taking part in the 2nd annual **Art From The Heart** event. As part of DCCC's Compensatory Education Program for adults with disabilities, the Workshop's art class explores several different mediums and creative outlets for it's students. Under the guidance of instructors, clients are able to express their artistic ability, with the end result being **Art From The Heart**. Come enjoy a delicious meal, meet area artists, hear stories from students and have a chance to purchase beautiful prints of these original works of art! Please join us for this inspiring and uplifting evening.

I would like to be a **Table Sponsor** for Art From The Heart.....\$300  
 I will make a contribution of \$\_\_\_\_\_ to help cover project expenses
